A Photo Zine

THANK YOU!

This zine and this show quite literally would not exist without the amazing people who helped me make it happen. Thank you to my lovely models for trusting me enough to let loose. Thank you to Andre Wright for letting me use Wright House to shoot — it's an amazing space and your support means the world. Thank you to Amel for connecting us. Thank you to every one of you little gender-fuckers out there. And thank you to Nix, for everything, all the time, forever <3

A word from Kate

This zine — and this show more broadly — is the culmination of a year of hard work and much, much longer of ruminating on body hair and gender.

Though the work is grounded in my experience, I never wanted it to be just about me. Seeing other folks feeling themselves in sparkly body hair accessories as much as I do was one of the best parts of working on this show. I'm so excited to share the joy of this shoot with the world.

That said, no more beating around the bush ;)
